About NewTech 2027

NewTech is aimed to become one of the leading international annual congresses in the fields of new technologies. The congress is composed of **5 conferences**. While each conference consists of an individual and separate theme, the conferences share considerable overlap, which prompted the organization of this congress.

- **ICNFA 2027** - 17th International Conference on Nanotechnology: Fundamentals and Applications
- **ICEPR 2027** - 17th International Conference on Environmental Pollution and Remediation
- **ICBB 2027** - 13th International Conference on Biotechnology and Bioengineering
- **ICERT 2027** - 11th International Conference on Energy Research and Technology
- **ICCEIA 2027** - 4th International Conference on Civil Engineering: Innovations & Advancements
